POS Platform
Not listed above

POS Platform listed

Follow steps below if your business POS Platform **is listed** on **Page 1**

BEFORE YOU BEGIN: Contact your POS Provider to make sure your POS Platform is running on a version that is compatible with Oxipay.

STEP 1

Access your Merchant Portal

Generate your POS Device Token(s) in your Merchant Portal. Login using the details provided in your Welcome Email.

[LOGIN >](#)

STEP 2

Download your POS Token(s)

For a step-by-step guide on how to download your POS Token(s) from the Merchant Portal, click the button below.

[TRAINING >](#)

STEP 3

Contact your POS Provider

Send your POS Token(s) and Merchant Number to your POS Provider so they can perform the integration on your behalf.

POS Platform not listed

Follow steps below if your business POS Platform **is not listed** on **Page 1** or if you **do not have** a POS Platform.

STEP 1

Access your Merchant Portal

To process Oxipay purchases in-store, login to your Merchant Portal using the details provided in your Welcome Email.
